TIPS FOR SAFER BIKING

RIDE PREDICTABLY

Make it easy for drivers to see you: avoid weaving between parked cars and ride with the direction of traffic. Adults may not ride a bicycle on the sidewalk in the City of Chicago.

SEE. BE SEEN. BE HEARD.

Use lights at night (white to the front and red to the rear) or when visibility is poor. When on trails, warn pedestrians, joggers, and slower cyclists before you pass with a bell or by saying, "on your left."

LOCK IT RIGHT

Use a U-lock to lock your frame and at least one wheel to a bike rack or immovable object. For added security, secure your other wheel with a second lock or chain.

PARK YOUR PEDALS: REQUEST A RACK

Is your favorite Edgewater business lacking a bike rack? Request a free bike rack from the City of Chicago by calling 312-742-BIKE (2453) or at www.chicagocompletestreets.org/bikeparking.

Divvy is Chicago's bike sharing system with thousands of bikes at hundreds of stations around the city, including Edgewater. Bikes are available 24/7, 365 days a year. You must be 16 years or older to ride Divvy. Find out more at divvybikes.com.

- 1. JOIN** Purchase an Annual Membership online or buy a 24-Hour Pass from any Divvy station. Annual Members will receive a unique Divvy key in the mail after completing their application. You will need to use a credit or debit card to sign up. For Chicagoans who face financial barriers or do not have a credit or debit card, CDOT now offers the **Divvy for Everyone (D4E)** program. More information on discounted memberships is at divvybikes.com/D4E.
- 2. TAKE** Annual Members simply dip their key into the slot at any station with an available bike. Those who buy a 24-Hour Pass will be given a code that they can type into the keypad on any dock with an available bike.
- 3. RIDE** You'll get unlimited 30-minute trips for the duration of your Membership or 24-Hour Pass. Trips longer than 30 minutes incur overtime fees.
- 4. RETURN** Dock the bike back at any station. Wait for the green light to confirm the bike is secure.
- 5. REPEAT** Take as many trips as you want during your Membership or 24-Hour Pass period. Take any Divvy bike, any time! Enjoy getting around Chicago in a new way.

CTA | transitchicago.com

Edgewater is served by the CTA Red Line train and several bus lines, including 155 (Devon), 84 (Peterson/Ridge), 92 (Foster), 22 (Clark), and 36 (Broadway). Routes 146 (Inner Drive/Michigan Express), 147 (Outer Drive Express), and 151 (Sheridan) are great connections to Downtown. Bikes are welcome on CTA and Pace buses at any time and on CTA trains any time except weekdays from 7-9 am and 4-6 pm. For more information about routes and when your bus or train is coming, go to www.transitchicago.com.

VENTRA | ventrachicago.com

Ventra is a combined fare card that can be used on CTA trains, CTA buses, or Pace buses. Cash fares are still accepted on buses. You can purchase your pass or add value at CTA rail stations, participating retail locations (such as local convenience stores), online, by phone, or using the Ventra app.

Chicago has three car share companies, some own their own cars, while others are "peer-to-peer" systems that allow members to either rent out their personal car, or rent from an individual.
