Fullerton Avenue Improvements

Narragansett Avenue to Lockwood Avenue

The Chicago Department of Transportation (CDOT) is working together with the office of Alderman Cruz (30th Ward), Alderman Cardona (31st Ward) and Alderman Villegas (36th Ward) to improve Fullerton Avenue from Narragansett Avenue to Lockwood Avenue, in support of pedestrian safety, infrastructure improvements, and overall economic development of the surrounding area.

Project Goals

- Repair and upgrade infrastructure
- Enhance pedestrian safety and walkability

Deteriorated pavement and sidewalk along Fullerton Avenue

Proposed Improvements

- Full-width roadway resurfacing and patching as needed
- Sidewalk, curb and gutter, and ADA ramp replacement as needed
- New arterial street lighting
- New pedestrian refuge islands and curb bump-outs at select locations
- High-visibility crosswalk markings
- New shade trees
- Improved drainage and elimination of ponding water

Pedestrian Refuge Islands to provide refuge to people crossing wide streets

Project Schedule

2023 Spring: Start of Construction
2024 Fall: Anticipated Completion
