The City of Chicago has published this map to help bicyclists use their bicycles on the streets of Chicago. Routes listed are accurate as of Spring 2022 and conditions may change. Users of this map should be aware that potential hazards and obstructions may exist on the routes shown and that the City of Chicago in no way warrants the safety or fitness of the selected routes. This map does not expand the liability of the City of Chicago to bicyclists beyond existing law. The user of this map bears the full responsibility for his or her own safety. Routes shown in the neighboring cities are for the convenience of the map users, but the City of Chicago in no way endorses these routes or can verify their accuracy.

SHARING THE TRAIL

SHARING THE STREET

TIPS FOR PEOPLE BIKING

Obey street signs, signals, and road markings

Never ride against traffic
People walking and driving are not looking for people riding the wrong way down a street.

Be predictable
Ride in a straight line at least 4 feet away from parked cars and with the flow of traffic.

Ride aware
Approach all intersections with caution. Turning vehicles may not see you.

Signal your intentions when turning and stopping

Assume others can't see you
Look ahead for hazards, or situations to avoid.

Don't try to squeeze by buses or trucks

Don't ride on the sidewalk
Chicago law prohibits riding on the sidewalk if you are 12 years old or older, unless it is marked as a bike route.

To cross an intersection with a turn box
Proceed when the light turns green into the turn box and position your bike in the new direction. When the signal turns green, proceed through the intersection.

FOR PEOPLE DRIVING

Respect the bike lane
Do not park or stand in the bike lane and wait for bicyclists to pass before encroaching the lane to park.

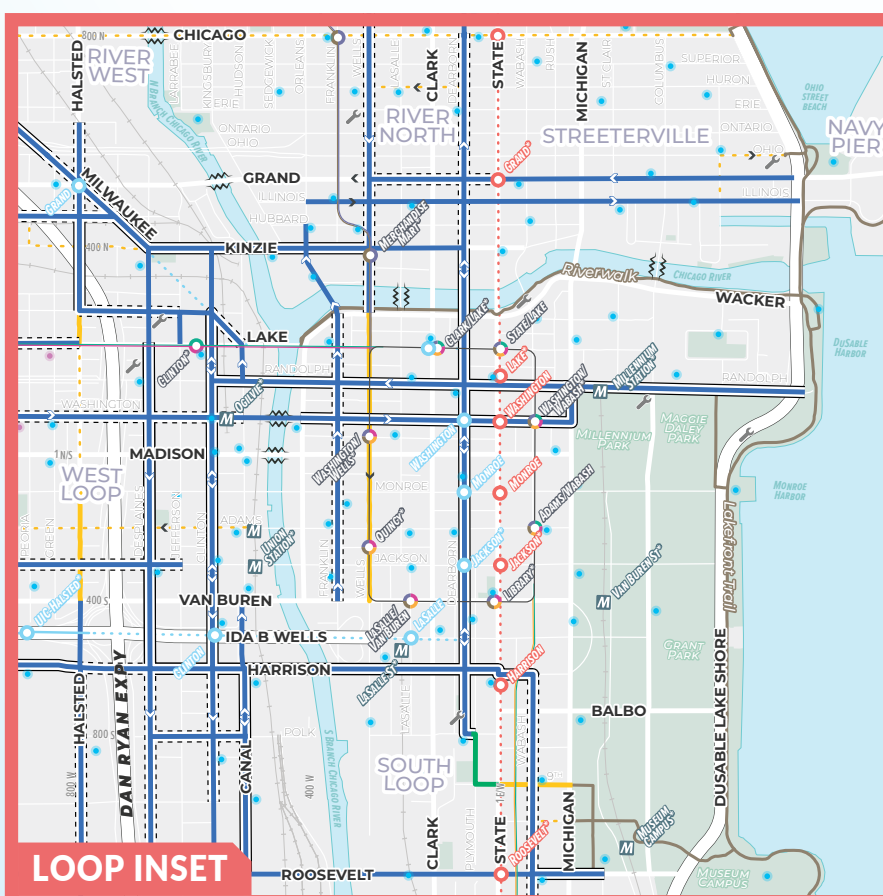

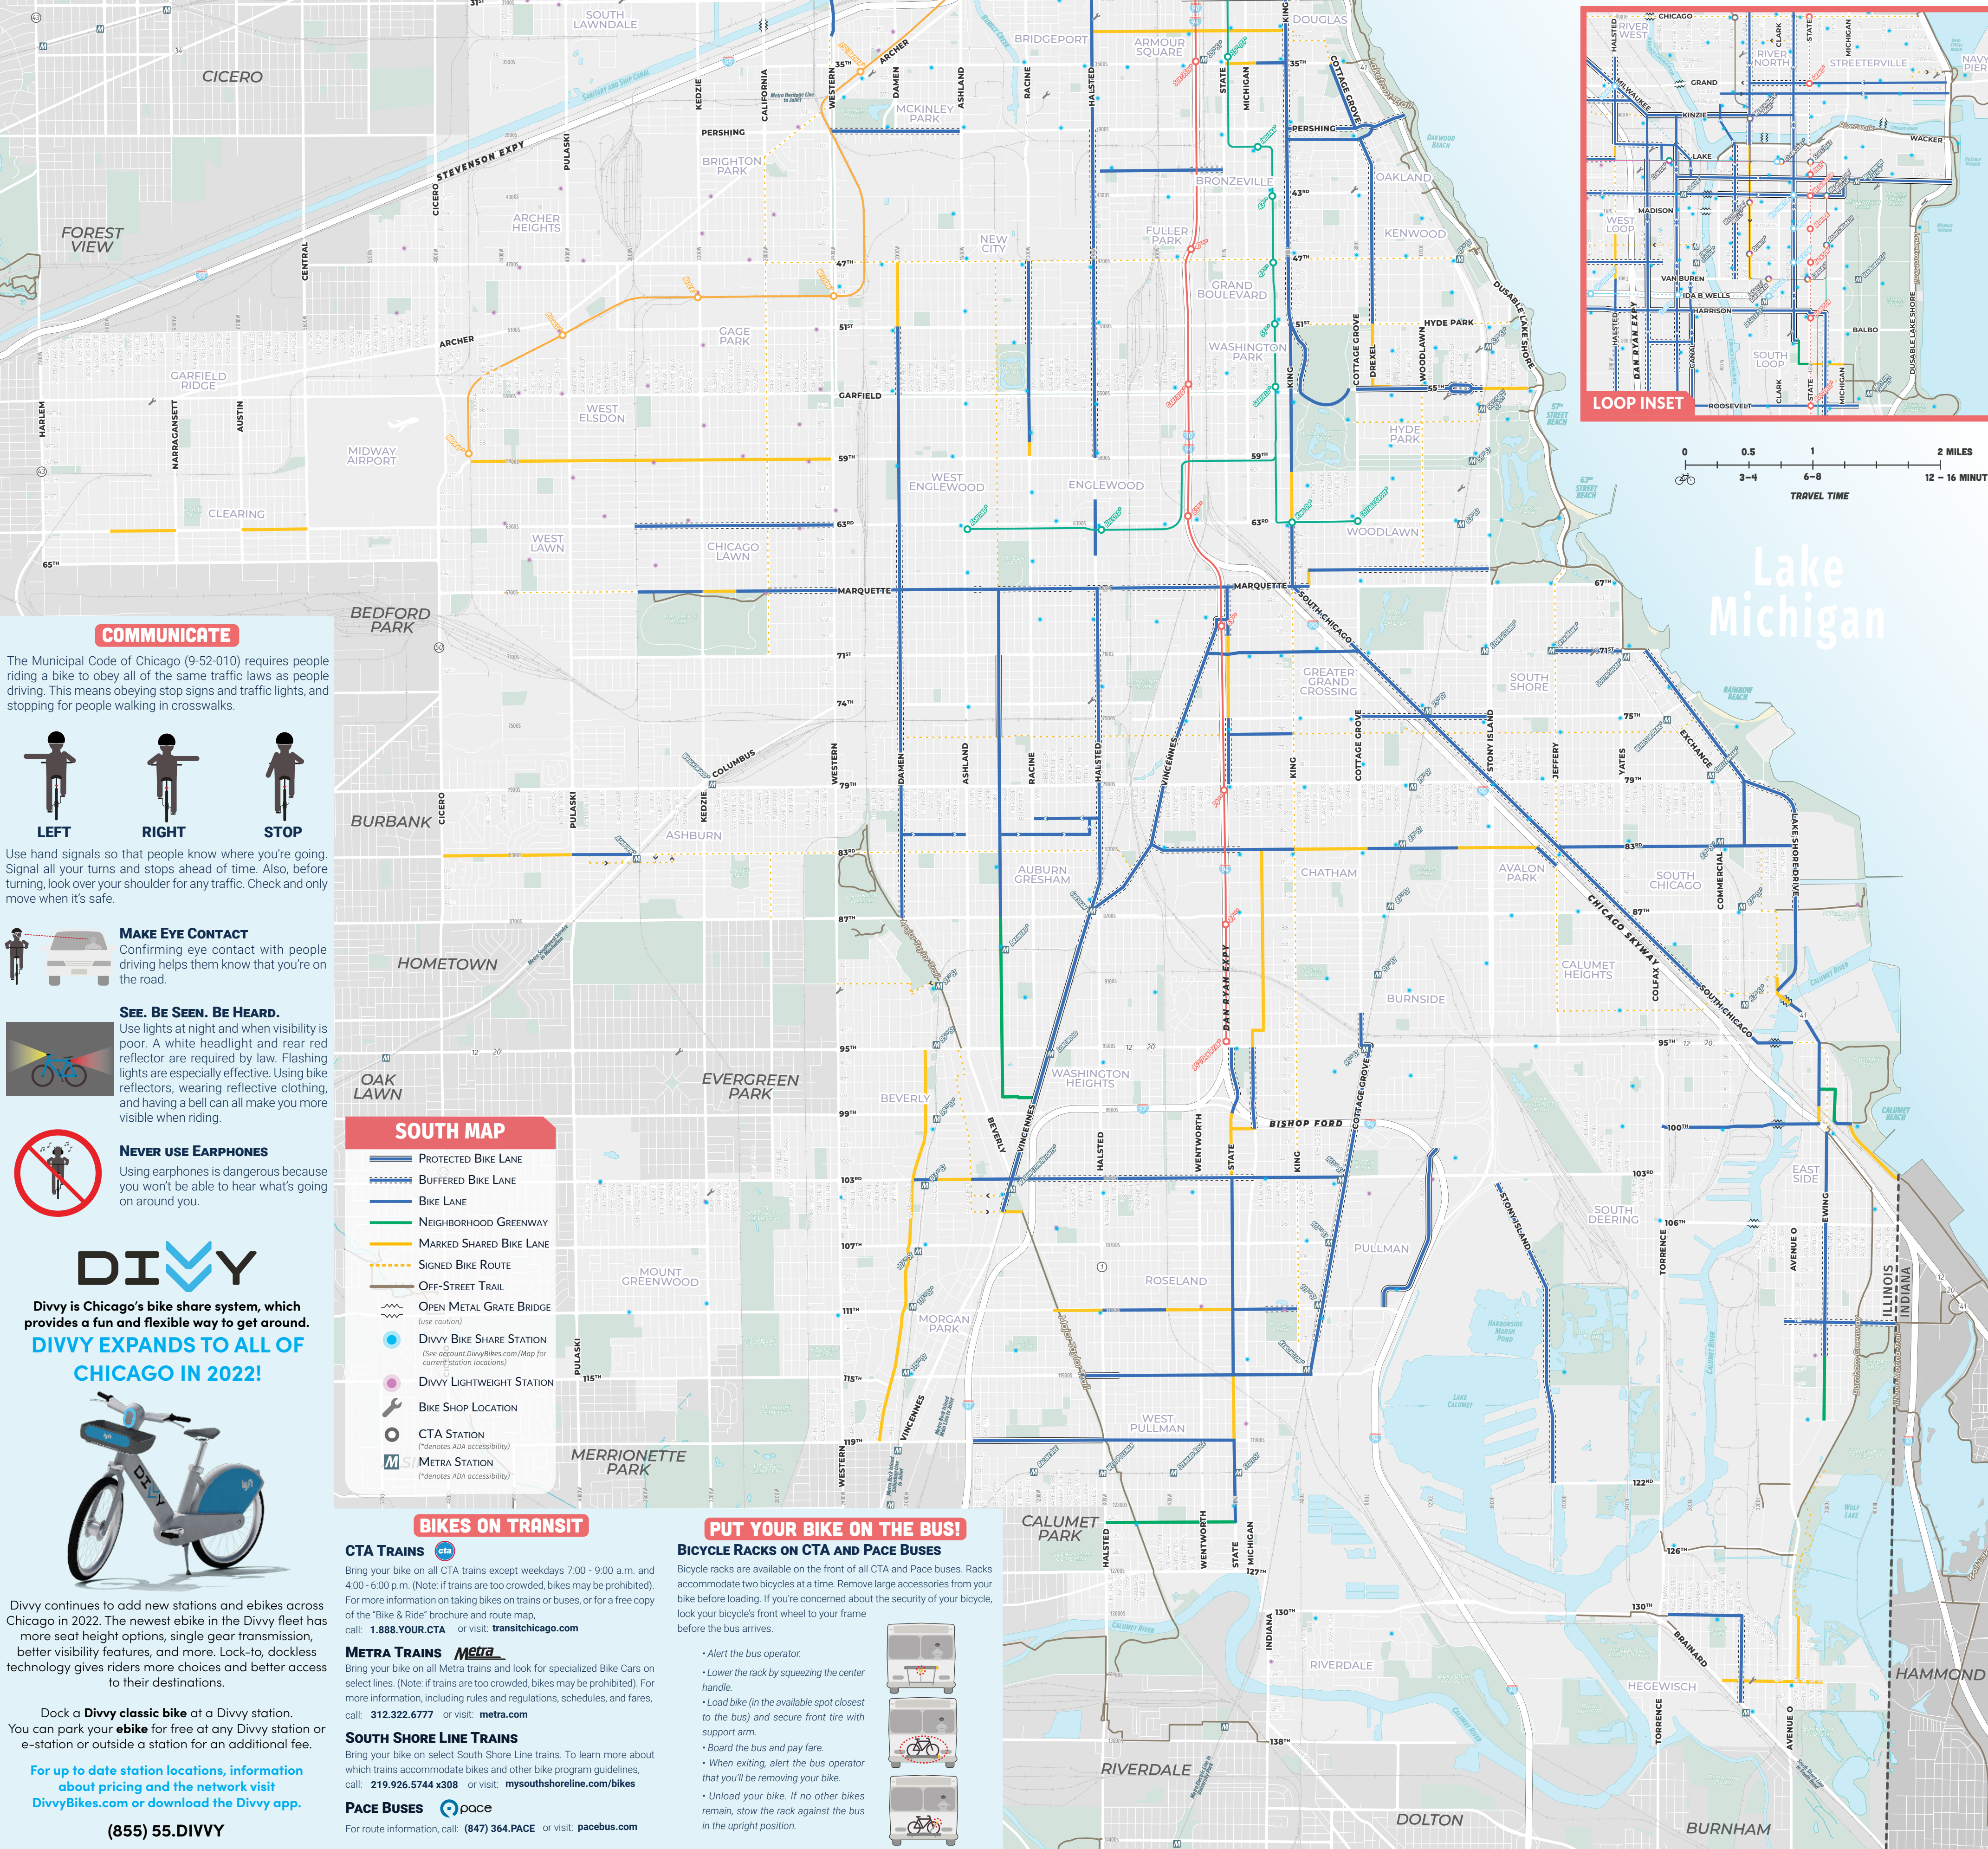

The Dutch Reach
Open your car door with your right hand. This will require your body to turn, making it a habit to check for bicyclists.

Check before you turn
Yield to bicyclists and do not underestimate their speed. Check your mirrors and blind spots for bicyclists.

Give bicyclists room
Do not pass too closely.

The Door Zone
Is the 4-foot area along the side of a parked vehicle where an opening door can hit and seriously injure a bicyclist.

Be careful exiting alleys and look for bicyclists and pedestrians

COMMUNICATE

The Municipal Code of Chicago (9-52-010) requires people riding a bike to obey all of the same traffic laws as people driving. This means obeying stop signs and traffic lights, and stopping for people walking in crosswalks.

Use hand signals so that people know where you're going. Signal all your turns and stops ahead of time. Also, before turning, look over your shoulder for any traffic. Check and only move when it's safe.

MAKE EYE CONTACT

Confirming eye contact with people driving helps them know that you're on the road.

SEE. BE SEEN. BE HEARD.

Use lights at night and when visibility is poor. A white headlight and rear red reflector are required by law. Flashing lights are especially effective. Using bike reflectors, wearing reflective clothing, and having a bell can all make you more visible when riding.

NEVER USE EARPHONES

Using earphones is dangerous because you won't be able to hear what's going on around you.

DIVVY

Divvy is Chicago's bike share system, which provides a fun and flexible way to get around. **DIVVY EXPANDS TO ALL OF CHICAGO IN 2022!**

Divvy continues to add new stations and ebikes across Chicago in 2022. The newest ebike in the Divvy fleet has more seat height options, single gear transmission, better visibility features, and more. Lock-to, dockless technology gives riders more choices and better access to their destinations.

Dock a **Divvy classic bike** at a Divvy station. You can park your **ebike** for free at any Divvy station or e-station or outside a station for an additional fee.

For up to date station locations, information about pricing and the network visit DivvyBikes.com or download the Divvy app.

BIKES ON TRANSIT

CTA TRAINS Bring your bike on all CTA trains except weekdays 7:00 - 9:00 a.m. and 4:00 - 6:00 p.m. (Note: if trains are too crowded, bikes may be prohibited). For more information on taking bikes on trains or buses, or for a free copy of the "Bike & Ride" brochure and route map, call: 1.888.YOUR.CTA or visit: transitchicago.com

METRA TRAINS Bring your bike on all Metra trains and look for specialized Bike Cars on select lines. (Note: if trains are too crowded, bikes may be prohibited). For more information, including rules and regulations, schedules, and fares, call: 312.322.6777 or visit: metra.com

SOUTH SHORE LINE TRAINS Bring your bike on select South Shore Line trains. To learn more about which trains accommodate bikes and other bike program guidelines, call: 219.926.5744 x308 or visit: mysouthshoreline.com/bikes

PACE BUSES For route information, call: (847) 364.PACE or visit: pacebus.com

PUT YOUR BIKE ON THE BUS!

BIKE RACKS ON CTA AND PACE BUSES Bicycle racks are available on the front of all CTA and Pace buses. Racks accommodate two bicycles at a time. Remove large accessories from your bike before loading. If you're concerned about the security of your bicycle, lock your bicycle's front wheel to your frame before the bus arrives.

- Alert the bus operator.
- Lower the rack by squeezing the center handle.
- Load bike (in the available spot closest to the bus) and secure front tire with support arm.
- Board the bus and pay fare.
- When exiting, alert the bus operator that you'll be removing your bike.
- Unload your bike. If no other bikes remain, stow the rack against the bus in the upright position.

THEFT PREVENTION

MOST BIKE THEFTS ARE DUE TO UNLOCKED OR IMPROPERLY LOCKED BIKES. FOLLOWING THESE TIPS WILL HELP PREVENT YOUR BIKE FROM BEING STOLEN.

Never leave your bike unlocked – not even for a second! Always use a high-quality U-lock or chain. For added security, use both.

1 Always lock the frame and front wheel to either a rack or pole (see illustration 1)

2 For extra security, remove the front wheel and lock it with the frame and rear wheel (see illustration 2)

AVOID DOORING CRASHES

DRIVERS, USE YOUR RIGHT HAND, LOOK FOR PEOPLE BIKING!

Using your right hand to open the car door will force your upper body to turn and look behind for oncoming bicyclists

REPORT BIKE-RELATED ISSUES WITH THE CH131 MOBILE APP, INCLUDING:

- Abandoned bikes
- Vehicles parked in bike lanes
- Damaged bike racks
- Snow or debris in bike lanes

311 SERVICES

Call the Chicago Park District at (312) 742.7529 to report maintenance and repair needs on the Lakefront, Mayor Taylor, Burnham Greenway, Sauganash, and Bloomingdale Trails. Call the Forest Preserve District of Cook County at 800.870.3666 to report maintenance and repair needs for the North Branch and North Shore Channel Trails, or visit: chicagoparkdistrict.com

Call the Chicago Department of Transportation at (312) 742.BIKE to request a copy of this map and other free publications, or visit: chicago.com/completestreets.org

INFORMATION & RESOURCES

This map identifies on- and off-street bicycle facilities and is designated to help you travel throughout Chicago by bicycle. While routes throughout Chicago are identified, always remember that potential hazards exist along all routes and conditions may vary depending on the time of day, day of the week, and season. Note that bicycles are never allowed on DuSable Lake Shore Drive or Interstate Highways.
